

Class Information – Y1

P.E. days – Tuesday and Thursday

No jewellery please and hair needs to be tied back. Indoor and outdoor kit as for our uniform policy, which includes a change of suitable footwear for working on the field.

P.E. kit needs to be kept in school all week for use as needed for other physical activities. Please ensure all items are clearly named.

Homework

Reading

Class texts set by teachers to read, discuss and share back in class. This is essential preparation for their guided reading sessions.

Reading stickers are awarded weekly for reading at home on a minimum of 3x per week. This can include other texts in addition to class readers.

Free choice books are available for all children to take home and enjoy.

Maths

Learning number facts and times tables will be practised in school and tested on a Friday. The children will have individual record cards which will help show you what they are learning in school to enable you to support their practise at home. Talking about numbers around us, measuring, baking, finding shapes and telling the time are all activities to help support our developing skills.

Other Homework

From time to time there may be other individual homework tasks linked to topic work in class. These will be sent home via book bags.

Thank you for your continued support.
Work done at home is key for the learning we do in school and in enabling children to achieve their best.
