

Class Information – Year 2

P.E. days – Tuesday and Thursday

No jewellery please and hair needs to be tied back. Children need both indoor and outdoor kit, which includes a change of suitable footwear for working on the field. (Please see our uniform policy). P.E. kit needs to be kept in school all week. Please ensure all items are clearly named.

Homework

Reading

Class texts are set by teachers each week to read, discuss and share back in class. This is essential preparation for their guided reading sessions. Reading stickers are awarded weekly for reading at home a minimum of 3 times per week. This can include other texts in addition to class readers. Children will also choose a 'free choice' book from the class library each week take home and enjoy.

Maths

Y2 will have My Maths online activities to complete every two weeks. You will receive a letter explaining this on Friday 15th September when the first activity has been set.

Learning number facts and times tables will be practised in school and tested on a Friday. The children will have individual record cards which will help show you what they are learning in school and enable you to support their practice at home.

Spelling

As part of the Read Write Inc. spelling scheme in school, children in Year 2 will bring home weekly spellings in a purple spelling book. Your child needs to practise these and for additional challenge they can write a sentence containing each word in the space below the spelling list.

Other Homework

From time to time there may be other individual homework tasks linked to topic work in class. These will be sent home via book bags.

Thank you for your continued support. Work done at home is key for the learning we do in school and in enabling children to achieve their best.
