

Class Information - YR

P.E. days - No set day for class R.

P.E. kit to be kept in school all week for use as needed for different physical activities. Please ensure all items are clearly named. No jewellery please and hair needs to be tied back. Indoor and outdoor kit as per our uniform policy, which includes a change of suitable footwear for working on the field.

Homework

Reading

Books selected by school to help your child develop essential early reading skills through very regular practice at home to support teaching in school.

Reading stickers are awarded weekly for reading at home a minimum of 3x per week. Free choice books are available for all children to take home and enjoy.

Maths

Regular rehearsal of naming and ordering numerals to 20. The children have number cards to enable you to support their practise at home. Talking about numbers around us, measuring, baking, finding shapes and talking about the time are all activities to help support our developing skills.

Other Homework

From time to time there may be other individual homework tasks linked to topic work in class. These will be sent home via book bags.

Thank you for your continued support. Work done at home is key for the learning we do in school and in enabling children to achieve their best.
