

We have had a very busy week in school. Y3 filmed their Christmas carol service which we have made available to their parents through a Vimeo link. We have also shared a Vimeo link for the YR and Y1 & Y2 performances via Tapestry or Seesaw. The film clips can only be viewed through the link to protect the children's privacy so please be mindful of this and do not post pictures or clips containing anyone other than your own children onto Facebook or other social media.

All the parties have gone very well. It may well have turned out to be a positive that we had to stay in single year groups as the children enjoyed themselves so much. They had lots of space to play their games and dance. Everyone went home happy. We may use this format again next year!

Covid plan for January. Given the current situation, we are planning to continue with some restrictions for at least the first half of the spring term. We will be working in single year groups and will continue to have class assemblies rather than joining together for joint or key stage collective worship. The windows and doors will remain open to ensure good ventilation so it might be a good idea for your child to wear an extra layer under their polo shirts and jumpers as January & February are usually very cold. We will be monitoring the situation very carefully and will keep you updated with any developments in school.

The East Riding Safeguarding Children Partnership have sent some useful advice on keeping children safe online, which is especially helpful at this time of year when children are likely to be receiving new electronic items at Christmas. They have also included lots of different numbers and websites where parents can access support or guidance for a range of issues. Please see the attached leaflet for details.

We would like to say a huge thank you for all your kind words, cards, baking and gifts. It is not necessary but they are very thoughtful and very much appreciated. We hope that you are able to have a happy Christmas with your families and look forward to welcoming the children back on **Wednesday 5th January**.
