

HAPPY★NEW★YEAR

Welcome back to spring term 2022! Although this term has started the same way as the last one ended, we are hopeful that we will soon be able to mix and join together in active learning activities again.

Due to the current covid situation in school and the local area, we are having to suspend before and after school clubs for a while. This is so that we are minimising the amount of contacts the children and staff are making during the day. We will be following advice from Public Health and hope to be able to reinstate clubs as soon as possible. The badminton club can still go ahead on Fridays as usual as this is attended by a small group of Y5 children.

Swimming lessons are taking place for Y3 and Y4 this term. We were unsure as to whether these would be able to happen but as of this week they are going ahead as planned. The children will need to come dressed in their PE kits and bring their swimming costumes/trunks and a towel in a waterproof bag. They can also bring a pair of goggles if they wish. Y3's lessons will take place on Tuesday afternoons and Y4's on Thursday afternoons for the next nine weeks.

It was very slippery outside this morning and one of our parents had a fall. She would like to say thank you to those of you who rushed to help her up and made sure she was unhurt. On a similar note, we would also like to say thank you to Y6 for demonstrating their values too. Even though Mr Mullenger had gritted the playground this morning, parts of it were still frozen and icy at break time. Having heard about the problem, Y6 asked if they could go and spread more salt so that KS1 could go out and play. They did a great job and everyone enjoyed their break. Thank you.
